

LIVERPOOL & DISTRICT TABLE TENNIS LEAGUE

DIVISIONAL CUPS -- 2011 / 2012

1st.ROUND RESULTS

This season's first round Divisional Cup matches have finally been completed after 7 weeks allowed, with some matches going right to the last night, the trial did eventually save one week on the length of the season, but with quite a few league matches postponed, and giving a lot of extra work to the Club secretaries, I feel that it's been a case of "at least we've tried it", and next season will be back to the tried and tested designated Cup Week.

Div. 1 team Fords 'A' comfortably won their match, but unfortunately had to be disqualified, having contravened Cup Reg.5. (please read the appropriate rules, it only takes a few minutes!). Three teams gave walkovers, 5 matches went to a 5-4 close finish, and only 2 matches finishing 5-0, most 'popular' match score 5-3, a good round.
