

**Liverpool & District Table Tennis League**  
**FRANK MURPHY MEMORIAL CUP**

**2011 / 2012**

**1st. Round Results**

All matches were played week commencing **31st. October 2011** as per the handbook.

Having trimmed the initial number of teams applying for this season's competition down from 35 to 32, to make a straight forward draw, (two clubs had agreed to reduce the number of teams entered), then when the first round was played, two teams gave w/o's, I know it needs an early decision by the Clubs, but it would be appreciated that players give their secretary a commitment that they will play if they have put forward a team.

As this Cup is getting more popular year by year, future season's may get more teams than the basic 32, (hopefully with a commitment), then a prelim round could be run if match nights allowed.

A few of the results shown below may be different from the original match card scores, after checking each card some were found to have basic adding up errors, thankfully, none which affected the final outcome of the matches concerned, but please check and double check match cards, (before the final game preferred).

The first round has now been played, and to show how well the handicapping seemed to be, 8 matches finished within 20 points of each other, 3 matches, less than 10 points difference, one 7 points and the closest was 6 points, not bad considering scores varied around 300-500 points.

The draw for round 2 will be sent out asap.

Roly Wright  
Cup Secretary
