Names of Clubs which have registered and played in the Liverpool & District Table Tennis League since beginning in 1927. -- compiled in 2009 by Trevor Owens -- Fixture Secretary

page 1 - A to B

The following 9 pages list all the Clubs which have registered and played in the L&DTTL since 1927, an amazing 453 Clubs
Many of which have basically been the same Club but have had to change their name a number of times for various reasons.
Marconi for example started as A.T.m.Co. then Plessey, GPT, and finally Marconi.
When Les Forrest started the L&DTTL in 1927-28, he was playing for North Liverpool YMCA till 1931, then there was a North Liverpool Club 1932, then a Bootle TTC until 1938, the war years may have intervened here, Bootle YMCA started in Stanley Road Bootle 1948, and is now playing from Park St Bootle, could we add this up to 55 years of playing. There are quite a few Clubs with a similar mixed history, Liverpool Jewish / Harold house, Liverpool Police / Merseyside Police, Linnets / Aigburth, 15th Crosby / Bath st.
Liverpool YMCA would have been the longest playing club, having 60 years in up to the time the YMCA in Liverpool closed in 2004, but many of the same players are now playing from Christ the King.
Cadwa, started in 1950 , have 59 unbroken seasons, but the longest continuous run goes to the 'Boys' from Linacre Men's Club, started in 1948, 61 continuous years, I hope they are looking at their youth policy.
If any of our readers can join up any other clubs please let us know.

Thanks to Trevor for his hours of research
