

FRANK MURPHY MEMORIAL TROPHY

2008 / 2009

SECOND ROUND RESULTS

Matches were played week commencing 15th December 2008 as per the handbook.

The complete match results aren't in yet but due to the shortness of time to the next round it was felt that these almost complete results should go out, so that the draw for the next round could take place.

Of the 7 matches to report on, 5 were home wins, two of those home teams also overcame the handicap.

Two teams won away, one overcoming the handicap, but I suppose the toughest match was given to Bootle YM. 1's 1st. div. squad who had to give 273 point start to 5th div. Arriva, in the end losing only by 23 points, with man of the match going to Arriva's Graham Rollinson who managed to pull in 74 points.

The only match report was sent by Sylvia Graham on her match, Crosby High v Bootle YM. 2, Sylvia gave her MotM to home player Dave Evans who used his service to devastating effect, plus bringing out some great hitting. Crosby went into the last two great games 7 points in front, Crosby No.1 Dave winning the first against BYM No. 1 John Higham 21-16, but John had got to grips with Dave's serve, and won the second game 21-20, giving Crosby a final lead of 11 points, having pulled back from a 83 point handicap deficit.
well played

next round draw out soon
